

## Colour CCD Camera

## PL-2000

### PL-2000

- ◆ IR range: More than 100 metres;
- ◆ RS-485 connectivity for communication;
- ◆ Pan & tilt orientation display, camera zoom display, inside dome temperature display;
- ◆ With AC linear synchronous lock;
- ◆ 128 preset positions with precision error less than  $0.10^\circ$ ;
- ◆ Alterable auto tour speed can be set to 10 -  $400^\circ/\text{sec}$ ;
- ◆ Preset target speed:  $100^\circ/\text{s}$  for pan,  $80^\circ/\text{s}$  for tilt;

- ❑ Manual control speed: 0.1°-100°/s for pan, 0.1°-80°/s for tilt;
- ❑ 360° continuous pan rotation; auto flip function for tilt rotation;
- ❑ Proportional pan/tilt speed dependent on zoom position;
- ❑ 2 Alarm inputs with choice of 8 presets each;
- ❑ Installation: Pedestal & Wall mount;
- ❑ Available in 18x and 36x zoom versions;
- ❑ Complete with external grade power supply unit, 230vac to 18vac;
- ❑ Built in protocols PELCO™ P & D;
